SINFUL “SURNAMES”

**NOTE:** I borrowed the idea for the following article from one Steve Gibson authored several years ago. At the time he wrote it, Steve was sound in his teaching and behavior. Lamentably, he fell away several years ago, but the material from which I adapted the following points is still as true as when he wrote it. DM

- **Theistic evolution** is wrong because **evolution** is wrong.
- **Social drinking** is wrong because **drinking** is wrong.
- **Chaperoned dancing** is wrong because **dancing** is wrong.
- **State sponsored gambling** is wrong because **gambling** is wrong.
- **Legalized adultery** is wrong because **adultery** is wrong.
- **Legalized pornography** is wrong because **pornography** is wrong.
- **Legalized abortion** is wrong because **abortion** is wrong.
- **Legalized prostitution** is wrong because **prostitution** is wrong.
- **Legalized tobacco use** is wrong because **tobacco use** is wrong.
- **Legalized homosexual behavior** is wrong because **homosexual behavior** is wrong.
- **Legalized same-sex “marriage”** is wrong because **same-sex “marriage”** is wrong.
- **Postmodernism** is wrong because **modernism** is wrong.
- **Neo-Pentecostalism** is wrong because **Pentecostalism** is wrong.
- **Neo-Calvinism** is wrong because **Calvinism** is wrong.
- **Doctrinal “Unity in diversity”** is wrong because **doctrinal diversity** is wrong.
- **Little “f” fellowship with error** is wrong because **fellowship with error** is wrong.
- **Fellowship with the “pious unimmersed”** is wrong because **fellowship with unimmersed persons** is wrong.
- **The Independent Christian Church** is wrong because **the Christian Church** is wrong.
It is impossible to change sinful institutions, practices, or doctrines into those which are innocent by prefixing harmless “given names” to “sinful surnames.”
